

ACTIVATION INSTRUCTIONS:

1. THE DEVICE **MUST BE OUTSIDE** FOR THE ACTIVATION AND FIRST LOCATION.
2. PRY OPEN THE GPS COVER ON THE CORNER OF THE DEVICE. YOU WILL SEE THE SIM CARD AND AN ON AND OFF SWITCH.
3. TURN THE SWITCH TO THE "ON" POSITION. WAIT FOR THE BLUE (GPS) AND YELLOW (CELLULAR) INDICATOR LIGHTS TO FLASH.
4. PLACE THE COVER BACK ON.

- THE PLATFORM WILL SHOW THE DEVICE AS ACTIVATED WITH BATTERY LEVEL PERCENTAGE UNDER THE SIM STATUS AND THE MAP WILL POPULATE WHEN THE DEVICE COMES ONLINE AND GETS A LOCATION. (IT MAY TAKE UP TO 10 MINUTES)
- BY DEFAULT, THE SYSTEM WILL LOCATE THE DEVICE ONCE A DAY, EVERY 24 HOURS.
- MAKE SURE TO POSITION THE MODULE WITH NO METAL DIRECTLY ABOVE IT.

RECOVER FEATURE. THE ONLY TIME YOU WOULD SELECT THE DEVICE AND CLICK THE **RECOVER** ICON IS IN THE EVENT YOU WOULD NEED TO RECOVER THE VEHICLE.

1. FIRST SELECT THE DEVICE, THEN HIT THE RED RECOVER BUTTON FROM THE COMMAND BAR ICON LIST.
2. SELECT THE LIVE RECOVERY TIME. IT CAN BE: 15, 30, 60, 90 OR 120 MINUTES, THEN SELECT CONFIRM.
3. LIVE TRACKING WILL BEGIN AT THE SCHEDULED DAILY LOCATE TIME.

Please note that the use of this recovery feature will void the manufactures warranty. This feature may drain the devices battery and affect the performance of the device in the future.

IMPORTANT FACTS

- Make sure to disconnect the car battery before you perform a hard wire installation.
- Please make sure the device and vehicle are located outside and away from a tall building to obtain the GSM and GPS signal for the first time.
- The device should connect to the network within 1-3 minutes. If you do not get a location after 10 minutes, unplug the device and remove SIM card for a few seconds and reinstall making sure it clicks in all the way. This will reset the device.
- Do not install the device, or its wiring, in the immediate vicinity of an airbag or into its deployment path.
- The device should be installed behind the dashboard on a flat surface, preferably behind the instrument cluster. Making sure that there is no metal directly above it.
- Never install the device under the hood, under seats, heater / air vent, or in the trunk.

NOTE: These instructions are for reference only. Please verify the industry best practices and relevant vehicle manufacturer recommendations when installing the device.

2 Year Consumer Limited Warranty Policy

RCI Wireless Control Inc. (RCI) GPS products are warranted to be free from defects in materials or workmanship for two years from the date of activation. Within this period, RCI will, at its sole option, repair or replace any components that fail in normal use. Such repairs or replacement will be made at no charge to the customer for parts or labor. The customer shall be responsible for any transportation cost. This warranty does not apply to: (i) cosmetic damage, such as scratches, nicks and dents; (ii) consumable parts, such as batteries, unless product damage has occurred due to a defect in materials or workmanship; (iii) damage caused by accident, abuse, misuse, water, flood, fire, or other acts of nature or external causes; (iv) damage caused by service performed by anyone who is not an authorized service provider of RCI. RCI reserves the right to refuse warranty claims. Warranty will only apply to devices sold in Canada and USA.

RCI products are intended to be used as asset protection devices ONLY. RCI products are NOT Fleet management products. RCI products are designed to recover an asset in the event of default on payment or theft. RCI products are not intended for daily live tracking inquires. Overuse of the platform will void any warranty claims.

Repairs and exchanges have a 90-day warranty. If the unit sent in is still under its original warranty, then the new warranty is 90 days or to the end of the original two-year warranty, depending upon which is longer.

IN NO EVENT SHALL RCI BE LIABLE FOR ANY INCIDENTAL, SPECIAL, INDIRECT, OR CONSEQUENTIAL DAMAGES, WHETHER RESULTING FROM THE USE, MISUSE, OR INABILITY TO USE THIS PRODUCT OR FROM DEFECTS IN THE PRODUCT. SOME STATES PROVINCES, AND TERRITORIES DO NOT ALLOW THE USE OF GPS DEVICES FOR ASSET PROTECTION SO PLEASE CHECK YOUR LOCAL LAWS.

RCI retains the exclusive right to repair or replace (with a new or newly overhauled replacement product) the device or software or offer a full refund of the purchase price at its sole discretion.

Warranty is not exchangeable.

To obtain warranty service, contact your local RCI authorized dealer/retailer or call RCI Product Support 1-877-940-3028. Securely pack the device and a copy of the original sales receipt, which is required as the proof of purchase for warranty repairs/replacements. Freight charges must be prepaid.

RCI reserves the right to change these policies without notice.
